ASSESSMENT TOO STEEP

Special to the Indianapolis Journal. FAIRMOUNT, Ind., Feb. 17 .- A strike of eight cutters and six flatteners employed in the Bell Window Glass Company's plant, of this city, which is one of the trust factories, this morning, was the cause of the closing of the entire factory, and the time of resumption is uncertain. One hundred and fifty men and boys are idle as a result. The grievance as given by the men is that they are to suffer an assessment of workmen's organization, L. A. 300, in this city. The cutters and flatteners pooled their interests, however, and several times wrote to the president of the organization, points. They say that they received no word from the headquarters of the organization in answer to their communications. Inthey were to be assessed the above amount, Simon Burns signed an order on the managers of the local plant stating that this amount of money was to be kept from their wages. No notice whatever was given the men by their president of this action. The factory was immediately closed until an adjustment can be secured. The men say that they cannot stand the assessment and

### Burns Not a Candidate.

Special to the Indianapolis Journal. HARTFORD CITY, Ind., Feb. 17.-The nomination for the various offices of the Burns L. A. 300 is now before the preceptories, and much interest centers in the selection of the new officials of the national organization. President Simon Burns, who holds his present place by a technicality, death is the second among the Elwood city and by not permitting the organization to take a second ballot after the fires were out of the factories, has stated positively that he is not a candidate for re-election. Hector Desgain is believed to be the most available man in the West for the place.
